**6. Creation of AYUSH Department:**

The Association demands for separate AYUSH Department since more than 12 years which is not yet been considered.

**7. Niramaya Yojana:**

Almost all the Doctors complained about the patients of their area are being attracted towards the Allopathic Hospital as free medicine are being provided there for the patients. But in Ayurved neither Niramaya Yojana nor in the Dispensary they are provided with huge medicines for treatment of the patients. So Association is demanding to provide Ayurvedic Medicine through the Niramaya Yojana.

**8. Filling of Vacant Deputy Director (IM) post:**

The post of the Deputy Director (IM) is lying vacant since last 3 years so the technical files of the Indian System of medicine are being neglected. Hence the Association requested the Govt. to fill up the post of DD(IM) as early as possible.

The Executive committee thanks the senior members Dr.Niranjan Ojha for conducting the meeting successfully and other members are requested to work for the association sincerely for future development of work of Ayurvedic System.
